

“ D3 is the most capable and accomplished Autodesk Manufacturing Partner in North America! ”
 -Former Autodesk Executive

Why D3? Because it's About YOU!

We succeed only when YOU succeed!

You're not just a number to us! We care about your business, and we understand you need to make the best choice in an Engineering & Design Technology Partner for your success. Because we were founded by manufacturing engineering professionals, and we are an Autodesk Partner **focused 100% on manufacturing**, D3 understands how to partner with your engineering and design teams to give your company the edge you need to get ahead and stay ahead!

Capabilities & Expertise

D3 is relentless in its pursuit to improve & evolve to be a better partner to serve you, as well as stay ahead of the competition. Even though we have the **most talented technical resources in the industry** today, we continue to invest in ongoing comprehensive training programs to keep our team on the cutting edge. You can rest assured, our capabilities and expertise in support, training, and implementing Autodesk Manufacturing Solutions are second to none.

Beyond the Box

Not only is D3 the leader in implementing Autodesk Manufacturing Solutions “out of the box,” but we are also known as world class integrators as well as experts in customizing training, data management, and automation solutions specific to customers' needs. **Other Autodesk partners and Autodesk Consulting groups often look to D3** for assistance and contract many of their most complex custom implementation projects to Team D3!

Proven Track Record

D3 has a proven track record of an **unsurpassed level of professionalism & customer service** in helping hundreds of manufacturing companies pursue engineering efficiency by using Autodesk Manufacturing Solutions. Don't just take our word; take a look at compiled survey results from our customers:

- Professionalism - 96.2%
- Communication - 95.1%
- Training Instructor Rating - 96.6%
- Technical Support Satisfaction - 95.2%
- Overall Satisfaction - 93.8%
- Recommend D3 - 94.5%

Most Awarded

Nothing is better and more validating than the accolades & testimonials we receive from our customers, but it's still great to stand out among your peers. D3 is arguably the **most awarded Autodesk Manufacturing Partner in the reseller channel**:

- Autodesk Partner of the Year
- Autodesk Partner of the Quarter (3x)
- Autodesk Top 10 Loyalty Partner
- Fastest Autodesk Manufacturing Partner Growth (6x)
- Autodesk Authorized Training Center of the Year
- Autodesk User Group International (AUGI) Sponsor of the Year

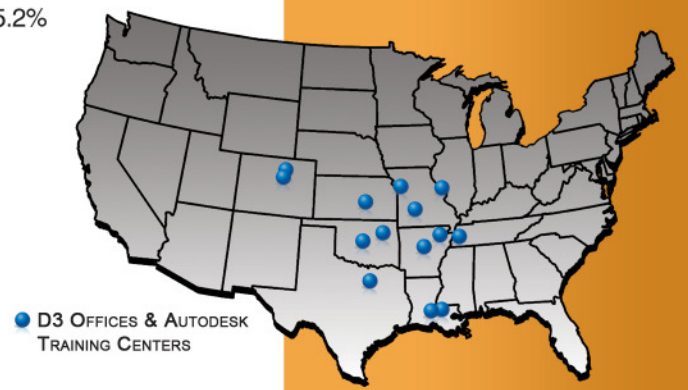

A True Partner

We truly value the partnerships we have with all our clients. While D3 partners with many Fortune 500 companies, **over 50% of our customers have 3 or less engineers or designers**. Regardless of size, D3 is a true partner delivering solutions to help all manufacturing companies pursue continuous improvement goals to increase productivity and profitability. Many of our customers include us in their strategic business planning meetings to help them map out how achieving engineering efficiency can play a pivotal role in helping them not only reach their goals but to blow them away and crush their competition!

“ When we ranked the Top 10 [Technical Consultants] in the Autodesk Partner Channel, D3 had 5 of them. ”

-Former Autodesk Technical Readiness Manager for U.S.
